Take a Holiday

...on Childcare Costs

Families can save up to **£2000** per year

Families can save up to **£2000** per year with childcare vouchers – enough to pay for a family holiday!

- **Not** means tested
- Different to tax credits
- Open to **both** parents through your employer
- Can be used to pay for all forms of registered childcare

Getting Started with childcare vouchers

Here are some simple steps to start saving with childcare vouchers:

- Check whether your employer has an existing childcare voucher scheme in place. Ask your HR Department.
- If not, we are happy to help you and your employer to get started saving with childcare vouchers.

Remember **both parents can save** with childcare vouchers – so both parents should check with their individual employer.

Please fill in the form below for further information
