For Childcare

vouchers

Information for Parents

**Save money on registered
childcare with
Childcare Vouchers!**

www.employersforchildcare.org

What are Childcare Vouchers?

- ✓ A valid way of paying for **all forms** of registered childcare including childminders, day nurseries, creches, playgroups, holiday schemes, afterschool clubs and breakfast clubs
- ✓ Can be used to pay for **more than one** form of childcare
- ✓ Not based on earnings or household income
- ✓ Different from tax credits
- ✓ Implemented through your employer

How do I save money with Childcare Vouchers?

- ✓ Parents can swap part of their salary each month to contribute towards their childcare costs
- ✓ This amount is exempt from tax and National Insurance
- ✓ Each parent could save up to **£77.76** per month
- ✓ Open to both mums and dads, so you can potentially double your savings to **over £1,800** per year

Monthly savings:

Maximum monthly Voucher amount	Total monthly savings
£243	£77.76

Subject to a Basics Earnings Assessment which is carried out by your employer upon joining the scheme

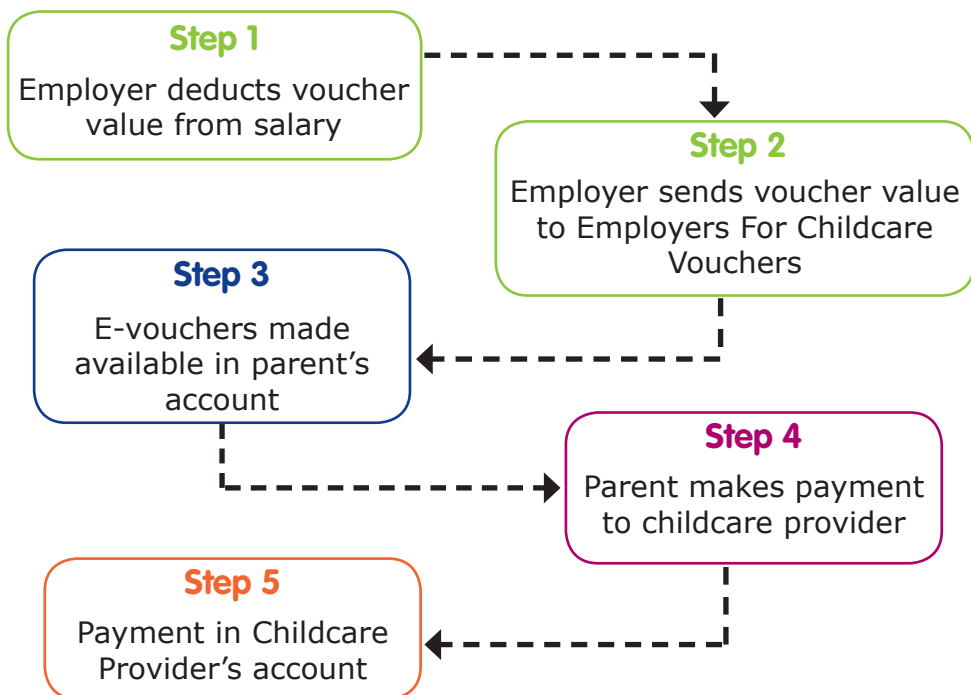

“*The service of getting the payments to the childcare provider is seamless. Other than setting it all up in the beginning, I haven't had to do anything in 18 months. No hassle is good for me!*”

Yvette Hetherington, Parent from Allstate

How does the E-voucher system work?

- ✓ It is an online virtual Childcare Voucher system
- ✓ Employees have a personal account showing their Childcare Voucher balance
- ✓ Employees instruct Employers For Childcare Vouchers to transfer payments to their chosen childcare provider(s), a similar practice to online banking
- ✓ Employees can also access their account for balance and payments
- ✓ Both systems (online and telephone) are accessible 24 hours a day, 7 days a week

The following flow chart summarises the process:

■ **Employer**

■ **Parent**

■ **Childcare Provider**
