

We are delighted to support Employers For Childcare in their campaign to keep the Childcare Voucher Scheme open to new entrants beyond 2018.

The Radox Group are proud to be a family focused organisation. We are calling for the Childcare Voucher Scheme to remain open because:

- It offers flexibility, savings & convenience for Parents
- It also offers savings for the Employer
- It helps to retain staff who are parents of young children
- The Voucher scheme benefits both Employee & Employers

Which all helps to maintain a valuable, positive working relationship.

We hope our endorsement aids a successful outcome to your campaign.
